► THE SHOW

Two-time Grammy-Ballot-recognized singer, Chaz Robinson, explores his passion for classical Jazz in this rat-pack-style show featuring: big band sounds, Jazz-style covers of popular tunes, tap dancing and jump rope. Chaz's powerful vocals, dynamic tapping, and World Champion Jump Rope skills all combine into a one-of-a-kind Jazz spectacle that is sure to charm audiences of all ages.

Some may be known to "wear many hats," but Chaz redefines the classic costume change with five on-stage footwear switches essential to enhancing each of his many crafts making him "The Man of Many Shoes." Stories of heartbreak, triumph, and star-studded encounters accompany these moments, drawing the audience closer to his powerful performances. ◆
